INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Children's Attention Home, Inc.

Opinion

We have audited the accompanying financial statements of Children's Attention Home, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children's Attention Home, Inc. as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Children's Attention Home, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Children's Attention Home, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Children's Attention Home, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Children's Attention Home, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

CHILDREN'S ATTENTION HOME, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2024 AND 2023

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The Children's Attention Home, Inc. (hereafter "the Home") provides residential care and developmental services to the abused, neglected, and homeless children that come into its care. Residential care is critical to meeting the children's emergency and basic needs including food, clothing, shelter, and healthcare. Developmental services focus on the individual needs of each child including social development, educational support, cultural enrichment, independent living skills, and workforce preparedness. These two service areas work together to ensure that each child's needs are being met while giving them the support they need to heal, grow, and thrive. With residential capacity for 36 children, the Home provides services to approximately 90 children each year, ages birth to 21 years, and has served over 9,000 children since its establishment in 1970. The children served are from across the state of South Carolina and the greater metropolitan area of Charlotte, North Carolina.

Basis of Accounting

The Home's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

The Home is required to present information regarding its financial position and activities according to the following net asset classifications:

Net Assets without donor restrictions:

These are net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Home. These net assets may be used at the discretion of the Home's management and the board of directors.

Net Assets with donor restrictions:

These are net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Home or by the passage of time.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (Continued):

Functional Expenses

The Home uses various methods to allocate its natural expenses among programs, management and general, and fundraising functions when certain costs cannot be directly coded to a natural expense. Items coded to the *Direct Program and Event Expenses* line in the statement of functional expenses do not always involve allocations and are most often the result of directly coding certain program and fundraising event costs. For example, program costs for the children’s food, clothing, recreation, and other supplies for educational, medical, hygiene purposes as well as fundraising event costs for entertainment, rentals, prizes, and catering are included in this line. When a cost is shared across the three programs, the allocation is based on the occupancy rate of children served.

The following lines in the statement of functional expenses include the following allocation methods when direct coding to a natural expense is not feasible:

<u>Expense</u>	<u>Method</u>
Amortization and Depreciation	Square Footage
Auto & Travel	Gov’t De Minimis [90% program / 10% general & admin]
Information Technology	Square Footage
Insurance - Other	Square Footage
Occupancy	Days of Service
Office	Square Footage
Personnel	Time and Effort
Professional Fees	Time and Effort

Measurement of Operations

The statement of activities reports all changes in net assets, including changes in net assets from operating and nonoperating activities. Operating activities consist of those items attributable to the Home's ongoing program services. Nonoperating activities are limited to resources that generate return from investments on the Home’s endowments and other activities considered to be of a more unusual or nonrecurring nature.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (Continued):

Income Taxes

The Children’s Attention Home is a not-for-profit organization exempt from federal income tax under section 501(c) (3) of the United States Internal Revenue Code as a charitable organization.

The Children’s Attention Home information tax returns are subject to review and examination by federal and state authorities. The Children’s Attention Home is not aware of any activities that would jeopardize its tax-exempt status. The fiscal years returns for 2021, 2022, and 2023 are open for examination by federal and state taxing authorities.

Program and Support Revenue

The Home has three primary programs, namely the Residential Care Program. Residential Care Program revenues are generated primarily through (1) a service contract with the South Carolina Department of Social Services [DSS hereafter] and (2) grants from the South Carolina Office of the Attorney General and South Carolina Department of Education. The total dollar amount is contingent on federal and state allocations for services provided and may be changed due to changes in federal and state funding programs. The Home provides services under fixed cost contracts for the South Carolina Department of Social Services. Under the arrangements, the Home contracts to provide certain services at a prescribed daily cost reimbursement rate. The Home would be expected to absorb the additional cost of providing the quantity of services contracted. Likewise, if the Home performs the services more efficiently than contracted for, the excess is available for future operating cost. Revenue is recognized once the daily service has been performed for each child placed with the Home. The Home invoices DSS semi-monthly with 10-day payment terms.

The Home also has a private placement resident care program, referred to as Crossroads. There is no charge to the service recipient for participation in this program. It is funded exclusively by private grants and general support. The Home’s Day Services Program is funded exclusively by a grant agreement with the SC Department of Social Services.

The Home receives support from its many local private donors. It also receives grants from many regional and local foundations and businesses. Grant revenues are recorded as they are earned or contributed, according to the provisions of the grant. Grant expenses are recognized when incurred for a grant related obligation. General contributions are recognized upon receipt.

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (Continued):

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Home that is, in substance, unconditional.

The Home has two primary fundraising events each year. Requests at the events are for unrestricted pledges, sponsorships, and general donations which allow the Home to cover general operation expenses. Unconditional promises to give due in more than one year are reflected at their estimated present value less discount.

Contributed Non-Financial Assets

The Home's policy is to record donated goods, property, equipment, and services with an estimated fair market value of \$1,000 or more. These contributions are recorded to revenue at the date of donation using the estimated fair market value from local vendors or online sites in the Home's market area that provide or sell identical or very similar items. The Home simultaneously expenses these items in the same period as the donation as the Home's policy is to use or consume these items and not resale them for cash.

Donations of property and equipment are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Home reports expirations of donor restrictions when the donated or acquired assets are placed in service.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Home considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Accounts Receivable and Pledges Receivable Valuation

Trade accounts receivable and pledge accounts receivable are reported at the amount management expects to collect from outstanding balances. Differences between the amount due and the amount management expects to collect are reported in the results of operations of the year in which those differences are determined, with an off-setting entry to a valuation allowance for trade accounts receivable. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to trade accounts receivable.

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (Continued):

Property and Equipment

Purchased property and equipment is capitalized at cost. Items that cost less than \$2,500 are expensed as incurred. Property and equipment are depreciated using the straight-line and accelerated methods over the estimated useful life of the related assets. Repairs and maintenance are charged to expense as incurred. Until fully operational, buildings and related development costs for new group housing are capitalized and shown separately under construction in progress.

Estimated useful lives of the assets generally are as follows:

Buildings and Improvements	5-39 Years
Land Improvements	5-20 Years
Furniture and Fixtures	3-10 Years
Equipment (all types)	3-10 Years
Vehicles	5 Years

Beneficial Interest in Assets Held by FFTC

The Home has entered into three separate designated fund agreements for its board-designated endowments with the Foundation for the Carolinas (“FFTC” hereafter). Contributions by the Home are pooled by FFTC. The pooling of endowment funds for investment purposes has many benefits, including but not limited to spreading the total risk for each endowment fund and making the risk equal for all funds invested in the master investment accounts, enhancing the investment performance relative to that of an individual fund, and reducing management fees. Interest, realized and unrealized gains and losses from securities, and investment fees in the master investment accounts are allocated monthly to the individual endowments based on the relationship of the fair value of each endowment to the total fair value of the master investment accounts being pooled with FFTC, as adjusted for additions to or deductions from those accounts. Currently all contributions by the Home are board-designated endowments.

These pooled funds have been designated by the board and are to be used for general operations, capital expenditures, and the Home’s legacy. Based on the Home’s revised investment strategies related to general operating cash needs during 2023, the board approved for management to close the Operating fund and move those funds to the Capital Campaign fund and Legacy Fund in equal amounts. The Capital Campaign Fund is to be used for capital expenditures, significant maintenance and repair of long-term assets, and the expansion of the Home’s campus including land purchase and construction of additional children’s residential care facilities. The Legacy Fund is to ascertain that the Home always has a future operation. Since each of these funds is a board designated endowment being fully distributable to the Home, they are considered unrestricted for net asset purposes.

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Beneficial Interest in Assets Held by FFTC (Continued)

The primary investment objective of the Capital Campaign Funds is to meet the annual capital projects needs of the Home. These assets are to be managed in a manner that will meet the primary investment objective, while at the same time attempting to limit volatility in year-to-year spending. The primary investment objective of the Legacy Fund is to achieve an annualized total return (net of fees and expenses), through appreciation and income, equal to or greater than the rate of inflation (as measured by the broad, domestic Consumer Price Index) plus any spending and administrative expenses, thus at a minimum, maintaining the purchasing power of the Legacy Fund.

Concerning the Home's spending policy, the distribution rate for the Capital Campaign Fund is based upon annual spending and cash flow requirements. The maximum allowable spending amount shall be set by the Board and shall be calculated based on the previous three-year average annual cash flow needs and liquidity requirements. The distribution rate for the Legacy Fund is based upon a total return approach, which utilizes both income and capital appreciation to be withdrawn for spending. The maximum allowable spending amount for the Legacy Fund shall be set by the Board and shall be calculated based on the previous three-year average of the Legacy Fund portfolio's market value. The formula shall be applied to the average daily balance over the prior three years ending each fiscal year.

NOTE B – LIQUIDITY AND AVAILABILITY (Continued)

The Home's goal is to maintain financial assets to meet three months of operating expenses (approximately \$800,000). The three months of operating reserves are maintained in a money market account. The checking account maintains a balance adequate to cover recurring expenses and upcoming planned expenditures. The calculation of average monthly operating costs includes all recurring, predictable expenses such as salaries and benefits, occupancy, office, travel, program, and ongoing professional services. Depreciation, in-kind, and other non-cash expenses are not included in the calculation.

In addition to financial assets available to meet general expenditures, the Home operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures. Refer to the statement of cash flows which identifies the sources and uses of the Home's cash and demonstrates positive cash generated by operations for fiscal years 2024 and 2023.

As part of its liquidity plan, excess cash at fiscal year-end is transferred to either its Board-Designated Capital Campaign or Legacy Fund.

Construction in progress is recognized at historical cost and comprises expenditures directly attributable to services and activities associated with physical expansion. No depreciation is recorded on construction in progress, as the assets are not yet available for use. Depreciation is initiated once the construction is substantially complete and the asset is placed into service.

NOTE F – BENEFICIAL INTEREST IN ASSETS HELD BY FFTC

As of June 30, 2024 and 2023, beneficial interest held in assets by FFTC were stated at fair value and were pooled as follows:

NOTE F – BENEFICIAL INTEREST IN ASSETS HELD BY FFTC (Continued)

The Active L/T Growth Pool seeks long-term capital appreciation without exposure to hedge funds or private equity. Up to 75% of its assets are invested in broad domestic and international large and small-cap stocks in developed and emerging markets. The remaining assets are allocated to fixed income (25%).

NOTE G – FAIR VALUE MEASUREMENTS

Fair Value Hierarchy

The Home uses a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Home has the ability to access at the measurement date. Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 3 inputs are unobservable inputs for the asset or liability. The Home has no Level 1 nor Level 3 inputs.

Determination of Fair Value

The Home bases its fair value on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It is the Home's policy to maximize the use of observable inputs and minimize the use of unobservable inputs when developing fair value measurements, in accordance with the fair value hierarchy.

Fair value measurements for assets and liabilities where there exists limited or no observable market data and, therefore, are based primarily upon management's own estimates, are often calculated based on current pricing policy, the economic and competitive environment, the characteristics of the asset or liability and other such factors. Therefore, the results cannot be determined with precision and may not be realized in an actual sale or immediate settlement of the asset or liability. Additionally, there may be inherent weaknesses in any calculation technique, and changes in the underlying assumptions used, including discount rates and estimates of future cash flows, that could significantly affect the results of current or future value.

The carrying value of cash and cash equivalents, accounts receivable and accounts payable approximate fair value because of the short maturity of these instruments.

NOTE K – LINES OF CREDIT

The Home held a line of credit related to a corporate credit card. The total amount of credit available on a revolving basis is \$100,000. The annual interest rates on the line of credit for purchases and cash advances at June 30, 2024, were 23.99% and 23.99%, respectively. Finance charges are only applied at the determined interest rates when purchases and cash advances' open balances are not paid in full by the due date. The Home did not incur any finance charges in 2024 nor 2023 related to the line of credit based on it paying down its open balances in full on a monthly basis. The outstanding balances on the line of credit on June 30, 2024 and 2023, were \$18,036 and \$34,048, respectively.

The Home also held another line of credit for a \$75,000 revolver to be used for any necessary operational working capital the Home may need from time to time. The line had a floating interest rate and accrued interest on any outstanding principal balance at a floating rate equal to the lender's prime rate plus 2% (the "Indexed Rate"). Interest was computed on an actual/360 simple interest basis. The line was secured by all inventory, all receivables, contract rights, chattel paper, general intangibles, other rights to payment of every kind, and all equipment. The line was available until May 5, 2023, the line's maturity date. Management did not renew when the contract expired. The outstanding balance due at May 5, 2023 was \$-0-. No interest was paid during 2023 as the line was not utilized.

NOTE L - PAYCHECK PROTECTION PROGRAM TERM NOTE

On March 17, 2021, the Home entered into a promissory note with Wells Fargo Bank, evidencing an unsecured loan with a principal amount of \$339,952 pursuant to the Paycheck Protection Program (the "PPP Term Note") under the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"). The PPP Term Note is guaranteed by the United States Small Business Administration [SBA hereafter].

The PPP Term Note matures two years from the disbursement date. On June 10, 2020, the Treasury and SBA clarified its payment deferral guidance that payments for PPP loans are deferred for at least 10 months after the end of the loan forgiveness cover period, which is either 24 weeks or 8 weeks after the loan disbursement date. Furthermore, if a loan forgiveness application is submitted within 10 months after the end of the loan forgiveness cover period, payments will be further deferred until such loan forgiveness is processed by the SBA. Interest will accrue beginning at the date of disbursement at a fixed annual rate of 1.000%. The outstanding principal balance may be prepaid by the HOME at any time prior to maturity with no prepayment penalties.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2024 AND 2023

NOTE L - PAYCHECK PROTECTION PROGRAM TERM NOTE (Continued)

Under the terms of the CARES Act, PPP loan recipients can apply for and be granted forgiveness for all or a portion of loans granted under the PPP. The PPP Term Note is subject to forgiveness to the extent proceeds are used for payroll costs, including payments required to continue group health care benefits, and certain rent, utility, and mortgage interest expenses (collectively, "Qualifying Expenses"), pursuant to the terms and limitations of the PPP. The HOME believes that it used all of the proceeds from the PPP Term Note for Qualifying Expenses.

Upon receipt of the loan proceeds, the Home elected to classify the entire principal balance of the PPP Term Note as debt on the Statement of Financial Position, pursuant to FASB ASC Topic 470, *Debt*.

The Home received loan forgiveness as of August 17, 2023, in the amount of \$339,952. The Home has recognized this as other income in the financial statements.

NOTE M - NET ASSETS WITH DONOR RESTRICTIONS

The Home's net assets with donor restrictions as of June 30, 2024 and 2023, consisted of the following:

NOTE N – CONTRIBUTED NON-FINANCIAL ASSETS

During the year ended June 30, 2024 and 2023, the estimated fair market value of contributed goods, namely food and beverages for a fundraising event based on the vendor’s invoice discount was \$18,825 and \$7,125, respectively. The value of contributed services for recognition in the financial statements did not meet the Home’s policy requirement threshold and have not been recorded.

There were no donor-imposed restrictions in 2024 or 2023, and all goods services were either consumed or given away by the Home.

In addition, many individuals volunteer their time and perform a variety of tasks that assist the Home, however, these services do not meet the criteria for recognition as contributed services. The Home received 1,418 and 1,061 volunteer hours for the years ended June 30, 2024 and 2023, respectively.

NOTE O – RETIREMENT PLANS

The Home participates in the South Carolina Deferred Compensation Program that provides employees with a supplemental retirement savings strategy through the program’s 401(k) and 457(b) plans. Plan enrollment is open to all employees. Traditional plan contributions are made on a pre-tax basis while Roth plan contributions are made on an after-tax basis. The Home provides a maximum annual match of \$500. The Home contributed \$11,675 and \$10,765 in 2024 and 2023, respectively.

NOTE P - SUBSEQUENT EVENTS

Subsequent events were evaluated through July 25, 2025, which is the date the financial statements were available to be issued.
